## FVE hosts Secretariat for World Veterinary Association

**Brussels, January 2010:** The Federation of Veterinarians of Europe (FVE) is pleased to announce that since 1<sup>st</sup> of January FVE is hosting the Secretariat of the World Veterinary Association (WVA). This will continue the work of the Danish Veterinary Association in Copenhagen, who hosted the WVA Secretariat since 1994.

The contract between FVE and WVA for the provision of the WVA secretarial services was signed in the end of October by FVE President Walter Winding and WVA President Tjeerd Jorna, who was accompanied by WVA Vice-Presidents Duane Landals and Faouzi Kechrid.

Both professional veterinary organisations are looking forward to a fruitful cooperation. *'In a globalised world strong co-operation between the European Federation and the World Veterinary Association are needed, not least underlining the 'One World – One Health' concept'* added Walter Winding.
